1. There's a Highway of Ho-li-ness and it leads us on our way, It takes us  
 2. There's a Highway of Ho-li-ness for the re-deemed of the Lord, There is  
 3. There's a Ci-ty that's a wait-ing the re-deemed of the Lord, It is a  
 4. O the High-way that we trav-el as the re-deemed of the Lord, brings us

through this life with all its woes. Well, it takes us through the  
 no-thing to harm or to de-stroy. The wick-ed can-not  
 Ci-ty of bright and end-less joy. And the High-way of  
 to the pearl-y gates of Zi-on's hill. There we'll see our bless-ed

de-sert, and through the sink-ing sand, It is the way for the re-deemed of the  
 walk there, It's the strait and nar-row way, It is the way for the re-deemed of the  
 Ho-li-ness leads us to our home a-bove, It is the home for the re-deemed of the  
 Sav-ior in the Ci-ty of our God, It is the home for the re-deemed of the

Lord.  
 Lord.  
 Lord.  
 Lord.

Highway of Ho-li-ness, For the re-  
 deemed, Yes, it takes us through this life with all its woes.

Highway to glo-ry, Paved by Je-sus' blood, It is the  
 way for the re-deemed of the Lord.
