

When I Pray, "Thy Kingdom Come"

Larry A. Hamblen

Jerry D. Hamblen

1. Oh, I'm kin- da get- tin' tired of the games some peo- ple play;
 2. And I'm kin- da get- tin' tired of some things I see in me;

They tell how much they love Je - sus, but don't live for Him each day.
 Not liv- ing as I ought to with real consis- ten- cy.

And though they say He's Lord and Mas- ter, they ne- glect what He com- mands;
 Not pray- ing as I ought to pray, not spend- ing time with You;

They live the way they want to, and ig- nore what He has
 Lord, help me in my weak - ness to be faith- ful and so

planned. When I pray, "Thy king- dom come , Thy will be done,"
 true. When I pray,

May it not be just words that I say;

With ev- 'ry beat of my heart, I want You in charge;

Lord, be Lord of my life ev- 'ry day.
