When tri-als bring me low, with bold-ness I can go un-to His ver- y throne, to seek His

face; I have a great High Priest Who shed His blood for me, He glad- ly

in-ter-cedes, and gives me grace. In- to that ho- ly place, un- to the

throne of grace, to seek His kind- ly face, I en- ter in. I bow in

grate-ful-ness, O, how my spir-it's blessed, He gives His per-fect rest, I wor-ship Him.
