Jerry D. Hamblen

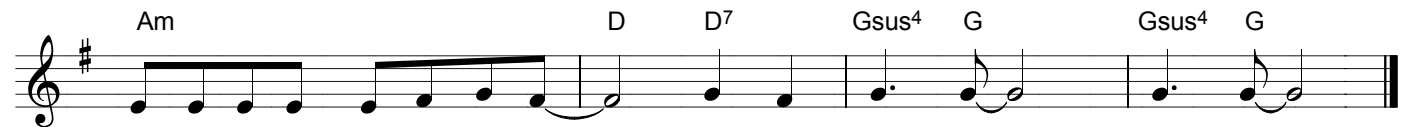

1. Not who I ought to be, not where I want to be, Draw me, draw me;
2. Back where I ought to be, back where I want to be, Near You, near You;

Cleanse me from all my sin, back in Your will a - gain, Draw me, clos - er.
Now I walk in Your light, by Your pow'r and Your might, Draw me, clos - er.

By Your Ho-ly Spir-it with -in, O Lord, I pray, Fill me with Your pow - er a - gain,

So that I may walk in Your way, Draw me clos - er, clos - er.
